

Want to add more fun to open enrollment and benefit fairs?

Our team collaborates with your team to put together an unforgettable event to appreciate your employees!

We've Got You Covered

Adding fun to your employee events is what The Employee Network does best. Music, balloons, merchants, prizes and much more are all sponsored by The Employee Network to create and give you the BEST employee event ever!

How? It's Simple

The Employee Network will set up and manage partners, so you can kick back, relax, and enjoy the event - making you the hero! We provide music, balloons, prizes and Merchant Partners, and the promo materials so you can spread the word! What we need from you is small... Provide the event space and bring the people! We do the rest.

Our Promise To You...

The Nation's Premier Employee Discount Program

Our Merchant Partners are contracted businesses offering your employees exclusive discounts through The Employee Network site! They will be available the day of the show and long after, ensuring that your employees get the best service and best prices, and can receive their discounts every day.
